Benefits of Recognized Student Organizations

Recognized student organizations are entitled to the following rights and privileges subject to all other relevant policies of the University:

- to use the University name. The University name, or any part thereof, shall not be used by any student or group of students in connection with any public activity except as authorized by UNH Manchester's College Relations Office
- to apply for student activity fee funding and utilize UNH Manchester services
- to be listed on the postcards, flyers and website announcing student activities
- to use campus facilities and services
- to sponsor campus programs and activities
- to obtain free advertising in toilet paper
- to participate in Welcome Week each fall and spring and other student organization recruitment activities
- to apply for tax exempt status through the Internal Revenue Service or use the UNH Tax Exempt Federal I.D.
- to obtain the use of a mailbox and have access to the resources of the Student Activity Fee
- to participate in future educational workshops
- to attend a student leadership recognition event
- to receive free advising services
- to create a web or blackboard page

Please note that this list, though fairly comprehensive, is not necessarily all-inclusive. This means that if your organization needs something that you do not see on this list, all you have to do is ask, and we'll see what we can do!

As you can see there are many perks to becoming a recognized student organization. However, with such benefits also comes a responsibility to uphold all policies as outlined in the Students Rights, Rules, and Responsibilities Handbook chapter 18.
