

## Checking your COVID-19 results

1. Log in to your account at <https://unewhorchard.netsmartcloud.com/>.
2. Click on the Order ID of the most recent file to open your report.
  - Each batch of self-swab kits counts as one order, so all results from a batch will be on the same order file. If you have received multiple swab kits, be sure to select the most recent order to see your latest results.
