UNH Manchester EXCELL-in-STEM Summer Program

Educational Excellence for English Language Learners

About the Program:
This four-week summer program is offered to Manchester school district middle and high school students entering grades 6 – 12 in fall 2023. EXCELL in STEM combines pre-college English language and hands-on science, engineering, and computing. Participants should be currently enrolled in or recently exited from English Language Learning support in their school. Includes:

• Hands-on learning in science and engineering
• Guest speakers from the UNH and Manchester communities
• Tours of UNH Manchester campus and labs
• Field trips

Application Process and Program Information:
To apply, fill out a permission slip and return to UNH Manchester or your EL teacher OR apply online here:

Online permission in English: https://bit.ly/EXCELL2023

The program is offered at no cost. Busing will be provided in coordination with the Manchester School District.

In person class July 5 - July 27
8:30 a.m. -12:30 p.m., Monday - Thursday
UNH Manchester, 88 Commercial Street
