COMP 430 – Systems Fundamentals

Discovery Program* Course Requirements:

Discovery biological **OR** physical science course

Discovery environment, technology and society course

Discovery historical perspectives

Discovery world cultures course

Discovery fine and performing arts course

Discovery social science course

University Degree Requirements:

Elective courses to fill remaining credits required for bachelor's degree (128 total)

University writing requirement**

Two semesters of an introductory foreign language***

* See page 3 for information about UNH's Discovery program.

** Bachelor degree candidates are required to complete four writing-intensive courses, which must include: English 401 – First Year Writing (or equivalent transfer English composition course), and three additional writing-intensive courses, one in the student's major and one at the 600-level or above.

*** Students can fulfill the foreign language requirement by: A) Completing one full year of introductory-level courses in any foreign language, including American Sign Language, as long as they did not study the language for 2 or more years in high school, or B) Completing one semester of an intermediate- or advanced-level foreign language course.

An advisor at UNH Manchester will provide you with the best possible guidance for course selections each term.

Please also note:

- UNH Manchester accepts a maximum of 72 credits in transfer from 2-year institutions. Only courses completed with a grade of C or better will be accepted as transfer credits.
- Students must earn a minimum overall grade point average of 2.50 at GBCC to be eligible for dual enrollment at UNH Manchester.

Course titles, names and/or sequencing are subject to change.

The Great Bay Community College courses* listed below fulfill UNH Manchester's Discovery Program course requirements:

Writing Skills

ENGL 110G – College Composition I

Quantitative Reasoning

CIS 148G – Intro to Java Programming

CIS 158G – Introduction to C++

MATH 170G – Discrete Mathematics

MATH 215G – Finite Mathematics

MATH 225G – Probability & Statistics

MATH 230G – Calculus I

MATH 235G – Statistics for Engineers & Scientists

Biological Science/DLAB

BIOL 101G – Human Disease

BIOL 106G – Human Body

BIOL 108G – Biology I

BIOL 109G – Biology II

Writing Intensive

ENGL 110G – College Composition I

ENGL 213G – Creative Writing

ENGL 214G – Introduction to Creative Nonfiction (formerly College Composition II)

UNH Manchester Bachelor Degree Requirements

To graduate from UNH, students must fulfill course requirements in the following areas: **major** courses, University **Discovery** Program courses and **electives**, totaling 128 credits.

Discovery Program Courses

UNH's Discovery Program builds each student's foundation in general education. To fulfill the Discovery Program, students must take the following courses: one inquiry course¹ (or INQ attribute course); one course in writing skills; one course in quantitative reasoning; as well as one 400- to 600-level course from each of the following Discovery Program categories: Biological Science (BS)²; Physical Science (PS)²; Environment, Technology and Society (ETS); Fine and Performing Arts (FPA); Historical Perspectives (HP); Humanities (HUMA); Social Science (SS) and World Cultures (WC)³

1. The Inquiry requirement shall be waived for students with 26 or more transfer credits.
2. One of these two courses must have a lab component.
3. Also may be satisfied by approved study abroad programs.
