**\*\*\*Guidelines for Capstone Credit**

You may take any 700-level English course in your senior year for Capstone credit.

1. At the beginning of the semester, ask your professor about the possibility of taking the course for Capstone credit. Remember that your professor is not obligated to designate a course for Capstone credit. Please be respectful in approaching your professor, and if the answer is no, please accept the decision.
2. Meet with your professor to discuss the extra work that will constitute your Capstone experience. In some cases this will be an extra assignment; in others it will involve the expansion of existing class work. Your professor will use his or her professional discretion in creating the extra assignment that constitutes the Capstone experience. While he or she may seek your input, the nature of the assignment is ultimately the professor's choice.
3. Fill out the Capstone Designation Form; both you and your professor will need to sign it. Submit the form to the Academic Counseling Office.

Capstone credit can NOT be retroactive; you cannot ask a professor from a previous semester to designate a course for Capstone credit.
